ACADEMIC SCHOLARS

Academic Scholars Program (ASP) 2008-2009 Year-End Report

Highlights:

- ◆ In Fall 2008, 274 freshmen National Merit Scholars received awards through the program, an increase of 7 from Fall 2007.
- ◆ A total of 2,136 students at Oklahoma public and private colleges and universities were enrolled in the Academic Scholars Program in Fall 2008, an increase of 26 from Fall 2007.
- ◆ The 2008 freshman class totaled 649 students— 413 “automatic qualifiers” and 236 Institutional Nominees— compared to 628 in the 2007 freshmen class.
- ◆ Since the start of the program in 1991, an average of 17% of program participants lose the scholarship after one year in the program. The rate for the most current year was 14%. On average, about 72% of participants retain the scholarship through their fourth year of eligibility; the most current class was 75%.
- ◆ For the 1,672 participants entering into the program between 2001-2003, 78% (1,306) received at least a baccalaureate degree from an Oklahoma institution.
- ◆ Based on data collected in 2007-08, about 69% of all the program’s graduates remain in Oklahoma one year after graduation. This compares to about 82% of all Oklahoma bachelor degree recipients based on the latest statewide data. The retention rate for Oklahoma residents in the program (74%) is significantly higher than for nonresidents (57%). After five years, about 32% of the Academic Scholar graduates are still in Oklahoma, compared to 61% of all bachelor degree recipients.
- ◆ About 85% of the program participants attend three universities—University of Oklahoma (49%), Oklahoma State University (22%) and the University of Tulsa (14%). The remaining participants attend public regional universities (8%), public two-year colleges (3%) and other private universities (4%). The three largest participating institutions also account for almost 91% of the total program expenditures.
- ◆ Few participants qualified for other Oklahoma financial aid programs. In 2008-09, about 4% received an award from the Oklahoma Tuition Aid Grant (OTAG) program, and a little over 10% were eligible for Oklahoma’s Promise. Less than 1% also received the Oklahoma Tuition Equalization Grant (OTEG).
- ◆ Available data indicates that program participants generally come from higher income families. Nearly 60% of participants do not apply for federal financial aid, indicating a lack of financial need or eligibility for federal student aid. Of the 42% of participants that reported parental income on the 2008-09 federal application, nearly 80% reported a family income of \$50,000 or higher, 39% reported family income of \$100,000 or more.
- ◆ Participation rates for Black and Hispanic students have remained minimal over the past five years; the rate for Black students in the program in 2008-09 was 0.75% and 1.59% for Hispanic students.
- ◆ For the first time since the implementation of the Academic Scholars program, compliance with the statutory 25% limit of non-resident student participation required six institutions to refund almost \$1,000,000 in award funds back to the program.

Qualifying Criteria

To automatically qualify for the Academic Scholars Program, Oklahoma residents and nonresidents must have received the designation of National Merit Scholar, National Merit Finalist, or Presidential Scholar. Oklahoma residents may also qualify by achieving a score in the top one-half percentile on the ACT or SAT. For 2008, the qualifying ACT score was a sum score of 133 and SAT score was 1550 on the math and verbal sections.

The 1999 Legislature created another avenue by which students can qualify for ASP awards-Institutional Nominees. Applicants may qualify for consideration at public colleges and universities by meeting at least one of the two criteria listed below:

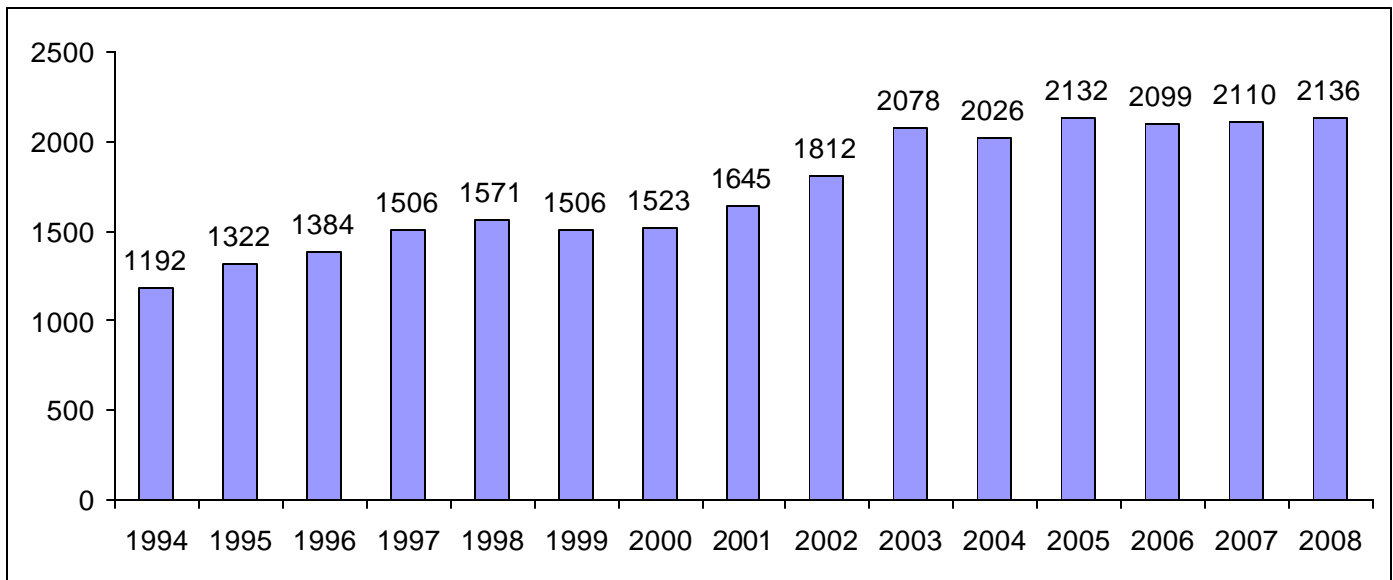

| Tier | One of the Two Criteria | |
|-----------------------|-------------------------|--------------------|
| | ACT or SAT Equivalent | GPA and Class Rank |
| Research | 32 or SAT Equivalent | GPA 3.9 and Top 2% |
| Regional Universities | 30 or SAT Equivalent | GPA 3.8 and Top 4% |
| Two-Year Colleges | 29 or SAT Equivalent | GPA 3.7 and Top 5% |
